

Safeguarding and Welfare Requirement: Information and Records

Providers must put in place a written procedure for children whose parents / relatives are employed at pre-school

10.15 past members of staff and committee involvement

Procedures

As an organisation, we strive to achieve and maintain professional standards and ensure that our staff members are fully supported within the process.

We are happy to accept children from past members of staff, who no longer work for the organisation, and would value their parent involvement within the committee framework, however in order to avoid 'conflict' we state that past members of staff are excluded from main committee duties (Chairperson, Secretary, Treasurer)
