

Stay and play

January 2019

Dear parents

Following our previous and very successful 'stay and play' sessions we have organised some more!

The 'stay and play' session is a great opportunity to see your child in the pre-school environment and for you to join in with their play. Lots of activities will be taking place throughout the sessions, which you can experience with your child, as well as refreshments and snacks which will be available in the snack area.

The 'Stay and play' sessions will take place on Monday 14th (am session), Wednesday 16th and Thursday 17th January (am and pm session). We are planning to hold this over 5 sessions and we will be using a booking system, that way we can monitor and prepare for the number of adults and children who would like to attend! Places are limited due to space so please ensure you book early.

Sorry no siblings can attend the play and stay

PS We are looking to hold a grandparent 'play and stay' in the spring! Details to follow in the new year.

We look forward to seeing you
