7.4 Staff deployment

Members of staff, including students (where eligible to be counted in ratios) at the setting are deployed to meet the care and learning needs of children and to always ensure their safety and well-being.

- Two members of staff are on the premises before children are admitted in the morning and the end of the day; one of which should be the manager or deputy.
- Only those staff aged 17 or over are included in ratios. Staff working as apprentices (aged 16 or over) may be included in the ratios if the setting manager is satisfied that they are competent and responsible. Except in the cases of apprentices, only those aged 17 and over may be included in the ratios and only if the setting manager is satisfied, they are suitable, (staff under 17 should be supervised at all times).
- At least one Paediatric First Aider must always be on site when children are present, and at least one Paediatric First Aider must be present and within sight and sound of children at mealtimes. Consideration will be given around staff breaks, lunchtimes and absences from the setting so that preschool is compliant with paediatric first aid requirements.
- The setting manager deploys staff to give adequate supervision of indoor and outdoor areas, ensuring that children are always within sight or hearing of staff. Whilst eating, children must be within sight and hearing of a member of staff and where possible the staff member will be sat facing children when eating.
- All staff are deployed according to the needs of the setting and the children attending.
- In open plan provision, staff are positioned in areas of the room and outdoors to supervise children and to support their learning.
- Staff are responsible for ensuring that equipment in their area is used appropriately and that the area is tidy at the end of the session.
- Staff plan their focus on activities.
- Staff inform colleagues if they must leave the room for any reason.
- There are two members of staff outside, one of whom supervises climbing equipment.
- The setting manager may direct other members of staff to join those outside, if the numbers of children warrant additional staff.
- Staff always focus their attention on the children whilst having a wider awareness of what is happening around them.
- Staff do not spend working time in social conversation with colleagues.
- Staff allow time for colleagues to engage in 'sustained shared interaction' with children and do not interrupt activities led by colleagues.

- Sufficient staff are available at story times to engage children.
- Key persons spend time with key groups daily; these times are not for focussed activities but for promoting shared times and friendship.
