

9.2 Admissions

Policy statement

It is our intention to make our setting accessible to children and families from all sections of the local community. We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

Procedures

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community. Priority will be given to children within the catchment area i.e. Greetland and surrounding areas.
- We ensure that information about our setting is accessible, using simple plain English, in written and spoken form and, where appropriate, provided in different community languages and in other formats on request.
- We arrange our waiting list in birth order. In addition, our policy may take into account:
 - the age of the child, with priority given to children who are eligible for the 3-year-old funding free entitlement
 - the length of time on the waiting list;
 - the vicinity of the home to the setting;
 - whether any siblings already attend the setting; and
 - the capacity of the setting to meet the individual needs of the child.
- We offer funded places in accordance with the Code of Practice for ... and any local conditions in place at the time.
- We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
- Our setting and its practices are welcoming and make it clear that fathers, mothers, other relations and carers are all welcome.
- Our setting and its practices operate in a way that encourages positive regard for and understanding of difference and ability - whether gender, family structure, class, background, religion, ethnicity or competence in spoken English.
- We support children and/or parents with disabilities to take full part in all activities within our setting.
- We share and widely promote our Valuing Diversity and Promoting Equality Policy.
- We consult with families about the opening times of our setting to ensure that we accommodate a broad range of families' needs.
- We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children.

- Failure to comply with the terms and conditions may ultimately result in the provision of a place being withdrawn.

Children with SEND

- The manager must seek to determine an accurate assessment of a child's needs at registration. If the child's needs cannot be met from within the setting's core budget, then an application for SEN inclusion funding must be made immediately.
- Children with identified SEND must be offered a place when one becomes available as with any other child. However, the start date for children with more complex SEND will be determined by the preparations made to ensure the child's safety, well-being and accessibility in the setting. If a child's needs determine that adjustments need to be made, the manager must outline a realistic timeframe for completion, detailing the nature of adjustments e.g. risk assessment, staff training, health care plan and all other adjustments required. The child's safety at all times is paramount.
- At the time of registration, the manager must check to see if a child's family is in receipt of Disability Living Allowance, if so, the manager must ask for evidence to enable them to claim the Disability Access Fund directly from the local authority. If the family is eligible but not in receipt of the allowance, the setting manager will support the family in their application. More information can be found at www.gov.uk/disability-living-allowance-children/how-to-claim.
- Preparation for admitting a child with SEND must be made in a reasonable amount of time and any delay in the child starting is scrutinised by the setting manager to avoid discrimination and negative impact on the child and family. During a preparation period the family and relevant agencies and the local authority must be regularly updated on the progress of the preparations.

Safeguarding/child protection

If information is provided by the parents that a child who is starting at the setting is currently, or has had involvement with social care, the designated person will contact the agency to seek further clarification.

Parents are advised on how to access the setting's policies and procedures.
